

## ERPM PART A – NOVEMBER 2013 - RESULTS

The results of the ERPM Part A held in November 2013 are published under 'Exam Results'. By entering the new Index No. and the NIC No. all candidates (both New Format and Old Format) will be able to obtain their detailed results.

Papers 1-4 are marked out of 200 and Paper 5 out of 150.

Please note: In the case of Old Format candidates, the results of the papers in Community Medicine, Pathology and Forensic Medicine are entered in that order under P 5 and P 5 Results, e.g., under P 5, 23/PP/14 would indicate that the candidate has obtained 23 marks for Community Medicine, previously passed in Pathology and obtained 14 marks for Forensic Medicine. Each component is marked out of 50. The results of this candidate will be given as PASS/PP/FAIL in the P 5 Results column.
